Splendid reproduction in sixteen tints of a celebrated painting.

Every person who sends One Dollar to pay for a year's subscription to the TWICE-A-WEEK REPUBLIC, of St. Louis, Mo., and FARM PROGRESS, will receive, ABSOLUTELY FREE a beautiful colored picture, 24 by 32 inches in dimensions, entitled "The Departure of the Bride from the Home of Washington." This picture is a direct reproduction from the celebrated painting by Ferris. Sixteen colors were employed in the process. It is made on a fine, heavy paper, and will make, when framed and hung, a magnificent ornament for the home. Aside from its genuine artistic merits, it possesses an uncommon interest to every American, as the central figure in it is George Washington, standing at the portal of his Virginia home, bidding adieu to the bride and bridegroom. The color work is highly ornate and correct in every detail as are the character representations, costumes, etc.

The TWICE-A-WEEK REPUBLIC is the oldest and best semi-weekly family paper in the country, and FARM PROGRESS, which is also published by The Republic, is the fastest-growing farm monthly in America. Remember that you get both of these splendid journals an entire year, and the beautiful big colored picture, all for only ONE DOLLAR.

Present subscribers may take advantage of this offer, by sending a dollar and having their time marked up a year. The Republic hereby gives notice that this offer may be withdrawn at any time, and those who wish the picture should send in subscriptions AT ONCE.

Remit by Post-Office or express money order, registered letter or bank draft. Do not send personal checks. Write names and addresses plainly, and address,
